BIP

Your Career Opportunities Worldwide in
the sectors of Pharmacy, Biotechnology
and Nutrition & Dietetics

III EDITION

Erasmus+

Organized by:

CEU | *Universidad
San Pablo*

**UNIVERSITÀ
DI TORINO**

**université
PARIS-SACLAY**

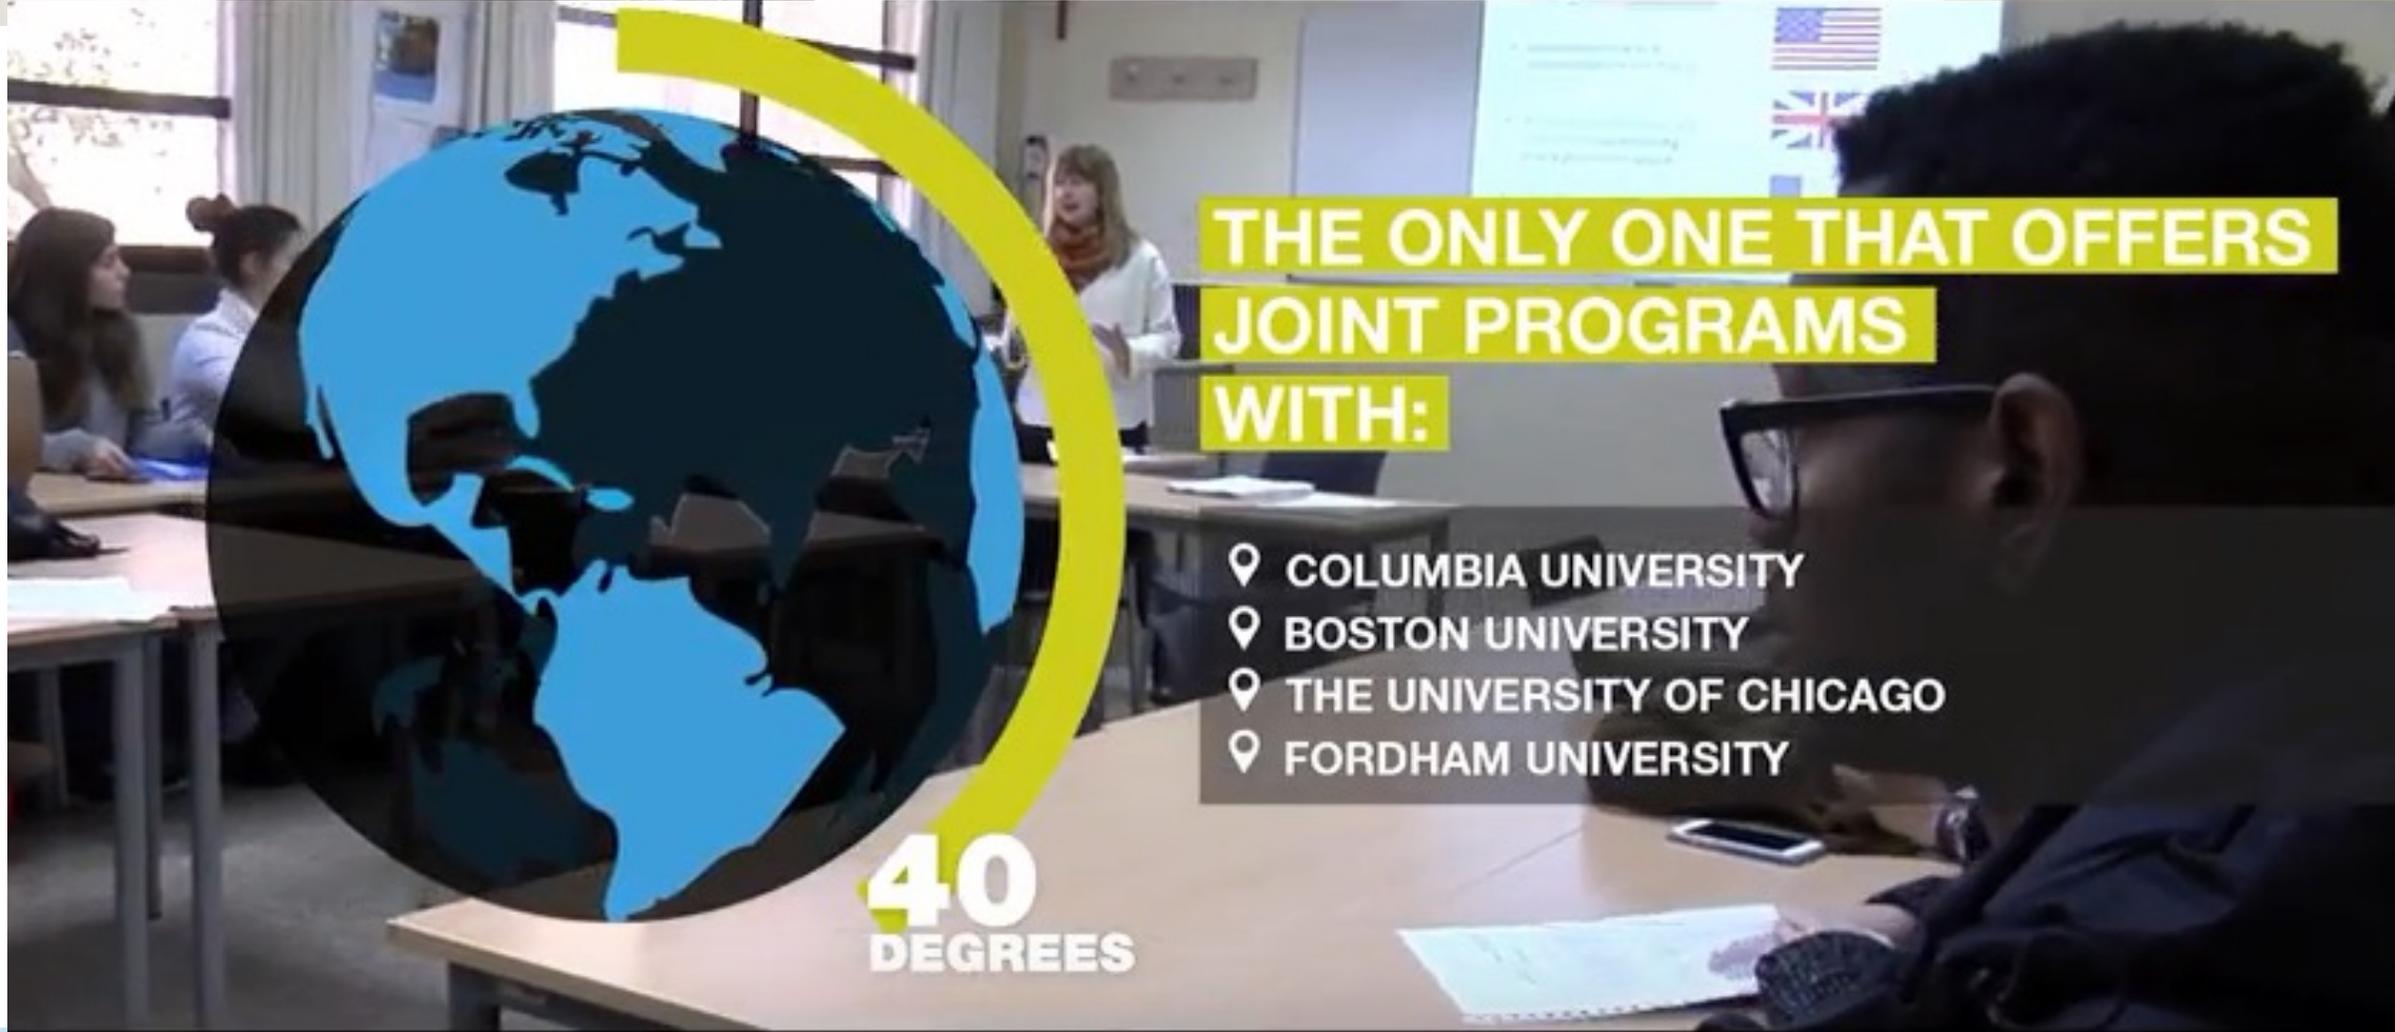

Learning from the experience and personal
view of professionals in the sector.

CEU

*Universidad
San Pablo*

**CEU IS THE
NUMBER 1 PRIVATE
EDUCATIONAL
INSTITUTION IN
SPAIN BASED ON
NUMBER OF
STUDENTS AND
INVESTMENT IN
GRANTS**

**THE ONLY ONE THAT OFFERS
JOINT PROGRAMS
WITH:**

- 📍 COLUMBIA UNIVERSITY
- 📍 BOSTON UNIVERSITY
- 📍 THE UNIVERSITY OF CHICAGO
- 📍 FORDHAM UNIVERSITY

**40
DEGREES**

OPPORTUNITIES

- *Learn more about career opportunities in Italy and abroad*
- *Work in team with other Pharmacy students*
- *Carry out an international experience*
- *Improve your soft skills*

CEU | *Universidad
San Pablo*

UNIVERSITÀ
DI TORINO

HOW DOES IT WORK?

Project Characteristics

- Spoken language: English!
- Number of allowed students: about 12
- Duration: Spring semester
- Starting period: January 13th
- Congress: one day in July
- Trip: one week in July

Student teamwork on a career prospect

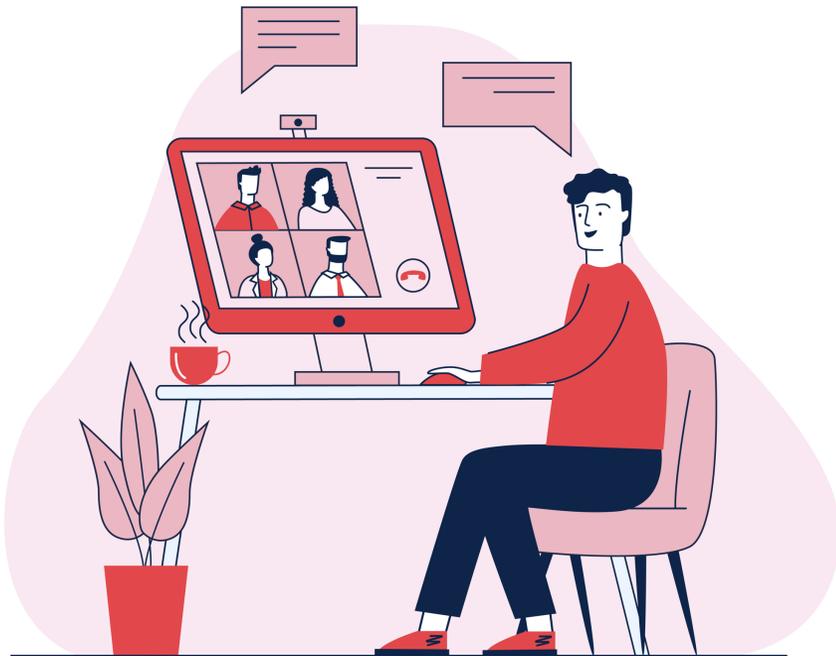

- International teams including students from both Universities
- Bibliographic search to learn about possible career prospects

CEU | *Universidad
San Pablo*

COIL has been amazing. This project connects students from Spain, Italy and UK, we work together discovering all the possibilities we can face in the future. I discovered an amazing world of possibilities thanks to **Universidad CEU San Pablo** and **Università degli Studi di Torino**! This is the future we want. So happy and grateful also to all the professionals that worked with us during these months!

**#project #work #future #grateful #pharma
#pharmacology #students**

Thank you very much for this great opportunity and this award to the best oral communication in "Healthcare and clinics" at the COIL "International Congress Your Career Opportunities in the sectors of Pharmacy, Biotechnology and Nutrition&Dietetics".

It has been a pleasure working with students from UK, Italy and Spain and different professionals from the Communication in Health Sciences sector. **Clara Armada Fernández**, Vasiliki, Eleonora Pintauro and Josep Colom.

Congratulations for this amazing Congress **Paola Otero Gómez, Rocío de la Iglesia González, Pérez García Carmen, Carolina Hurtado Marcos.**

What do the students think of this project?

“Thank you for this experience and I really appreciate the opportunity, I've learnt a lot and I'm truly grateful for this wonderful project and I'm glad to have been included in such a fantastic opportunity. Thank you.”

“Really liked the round table idea”

“I appreciate all of the organizing of the project and I also appreciate the knowledge imparted to us by the scientists”

“I love the project”

“I have never experienced before”

“Thank you so much for the

“Thank you very much for all your effort, the experience has

“Thank you for the effort and dedication!
It has been a pleasure to be part of this project”

“My congratulations for the organization of this program has served to guide me” *“Great experience!”*

“It was such a brilliant one and it gave me opportunities”
“I feel so inspired and it made me motivated to achieve more in life. Thanks a lot :)”

“Thank you very much for an amazing experience, I would recommend the coil certificate to anyone in the area of nutrition to see the possibilities out there in the future”

“Thank you for organizing the program it has been very beneficial for me”

“Brilliant job”

“Continue it is an amazing project”
